Right here, we have countless books kursy/g metro oktyabrskaya and collections to check out. We additionally give variant types and also type of the books to browse. The good enough book, fiction, history, novel, scientific research, as without difficulty as various other sorts of books are readily understandable here.

As this kursy/g metro oktyabrskaya, it ends in the works bodily one of the favored ebook kursy/g metro oktyabrskaya collections that we have. This is why you remain in the best website to look the incredible book to have.

The Russian Revolution, 1917 Rex A. Wade 2017-02-02 Rex A. Wade presents an essential overview of the Russian Revolution from its beginning in February 1917, through the numerous political crises under Kerensky, to the victory of Lenin and the Bolsheviks in the October Revolution. This thoroughly revised and expanded third edition introduces students to new approaches to the Revolution's political history and clears away many of the myths and misconceptions that have clouded studies of the period. It also gives due space to the social history of the Revolution, incorporating people and places too often left out of the story, including women, national minority peoples, peasantry, and front soldiers. The third edition has been updated to include new scholarship on topics such as the coming of the Revolution and the beginning of Bolshevik rule, as well as the Revolution's cultural context. This highly readable book is an invaluable guide to one of the most important events of modern history.

Women Workers in the Soviet Interwar Economy Melanie Ilić 1999 Analyses changes in official policy towards protective labor legislation for women workers in the Soviet Union in the period 1917-41.

The Secret Art of Boabom Asanaro 2006-10-05 The success of *The Secret Art of Seamm Jasani* by Asanaro surprised many who wondered whether a little-known Tibetan movement system would be able to compete with yoga, Spinning classes, and tai chi. After several printings and thousands of *Seamm Jasani* converts, the secret is out. *Seamm Jasani* schools have cropped up across the country, thanks to the popularity of Asanaro's book, and more people than ever are discovering *Seamm Jasani*. For students eager to continue learning about ancient Tibetan body movement arts, or for anyone curious about cutting-edge strength and spiritual training, *The Secret Art of Boabom* is a must read. A cross between martial arts and yoga, Boabom is an ancient system of relaxation, meditation, breathing, and defense originating in pre-Buddhist Tibet. The movements contained within the collective "Arts" of Boabom are designed to develop vitality and internal energy, as well as mind and body balance, which are achieved through movements of defense, self-healing, relaxation, and meditation. Boabom provides quick relief from stress, and improves focus and confidence, as

well as physical condition and mental well-being. *The Secret Art of Boabom* includes detailed descriptions and more than three hundred instructional drawings of Boabom movements, as well as information about its positive effects. But *The Secret Art of Boabom* is more than just a how-to book. Combining the thrill of adventure nonfiction, the depth of history, and the profundity of philosophy along with the practicality of a guidebook, Asanaro offers this companion to those eager to explore the secrets of ancient Tibet in order to improve their health and well-being.

What about the Workers? Simon Clarke 1993 Questioning the common belief that Russia is in transition to capitalism, this book looks behind the political and ideological debates to focus on the development of the real lives of the workers. It includes an analysis of the role of trade unions in the former Soviet system.

Higher Education in Russia Yaroslav Kuzminov 2022-09-13 Higher Education in Russia is a must-read for scholars of higher education and Russian history alike.

The Formation of a Labour Market in Russia Simon Clarke 1999 Clarke (sociology, U. of Warwick, England) draws on data from statistical surveys and case studies collected within the framework of a large-scale collaborative research program by development agencies on the restructuring of labor and employment in Russia. He reviews the historical context and tackles theoretical issues before providing a detailed analysis of the development of the labor market through the interaction of strategies by employers and employees. Two more volumes are expected to emerge from the study, on the segmentation of the Russian labor market and on household survival strategies, presumably during those long months or years when workers are not being paid.

Victorian Architecture Roger Dixon 1978

Russian Unemployment and Enterprise Restructuring Guy Standing 2014-01-14 In the 1990s, attempted shock therapy generated unemployment much worse than many economists claimed. This book, based on an enterprise survey conducted between 1991 and 1994, examines how factories responded to unprecedented pressures, highlighting employment cuts, changing corporate governance and unanticipated labour market

outcomes.

Creating the New Soviet Woman L. Attwood 1999-08-31 This book explores the Soviet attempt to propagandise the 'new Soviet woman' through the magazines *Rabotnitsa* and *Krest'yanka* from the 1920s to the end of the Stalin era. Balancing work and family did not prove easy in a climate of shifting economic and demographic priorities, and the book charts the periodic changes made to the model.

American Rehabilitation 1993

The Aesthetics of Disappearance, New Edition Paul Virilio 2009-04-10 Focusing on the logistics of perception, this title introduces the author's understanding of 'picnolepsy' - the epileptic state of consciousness produced by speed, or rather, the consciousness invented by the subject through its very absence: the gaps, glitches, and speed bumps lacing through and defining it.

Conflict and Change in the Russian Industrial Enterprise Simon Clarke 1996 Mostly Russian contributors offer nine studies on new kinds of conflict and forms of trade unionism in post-Soviet Russia. The topics include the development of an independent trade union in a large ball-bearing factory, changes in the status hierarchy, gender differentiation, and the external relations of enterprises during bankruptcy and between insiders and outsiders. The series examines the restructuring of social relations in Russian industry.

Pt 2: South Africa and foreign policy. Pt 3: Education and culture. Pt 4: Case studies. For a list of contributions and authors, please go to the full-text section below.

Moscow and St Petersburg Christopher Knowles 1991

Gender in Russian History and Culture L. Edmondson 2001-07-11 This volume charts the changing aspects of gender in Russia's cultural and social history from the late seventeenth century to the Stalinist era and the collapse of the Soviet Union. The works, while focusing on women as a primary subject, highlight in particular gender difference, the construction of both femininity and masculinity in a culture that has undergone major transformation and disruptions over the period of three centuries.

St. Petersburg Sara O'Brien 2009 As the "Sunshine City" of St. Petersburg forges onward with new and exciting developments, a legacy of landmarks still remains. The founding fathers envisioned St. Petersburg as a city with great potential for progress and growth. Over the past century, St. Petersburg has far exceeded these vast expectations.

The Workers' Movement in Russia Simon Clarke 1995 This major new book surveys the development of the new workers' movement in Russia under perestroika to understand how it connected with the workers at shop floor level and the national and local political authorities to whom it addressed its demands, and whose development it sought to influence. Drawing on a unique programme of collaborative research on Russian industrial relations from 1987 to 1995, the authors use a series of case studies to explain the gulf between the thousands of tiny independent groups, often based in a single enterprise or even a single shop, and regional and national organizations without a grassroots base. Extensive interviews with participants, tape and video recordings, as well as substantial documentary material are used in case studies of the 1989 miners' strike in Kuzbass, the Kuzbass regional council of workers' committees, the independent miners' union in Kuzbass, Sotsprof in Moscow and the Federation of Air Traffic Controllers' Unions. An extensive introduction puts these studies into context.

Soviet History in the Yeltsin Era R. W. Davies 1997-06-12 Russian rethinking of the past has immense political significance. The author of the acclaimed *Soviet History in the Gorbachev Revolution* now examines the impact of the collapse of Communism and of the subsequent disillusionment with capitalism on Soviet history. The uses of history after the 1991 coup and in the 1995 and 1996 elections are considered in detail. Part two evaluates the unfinished revolution which has partly opened the archives, while part three offers reflections on the future of the Soviet past.

Cultural Attractions and European Tourism Greg Richards 2001-01-01 This book reviews the cultural tourism market in Europe from a survey carried out in 1997. It analyzes the way in which cultural attractions are produced for, and used by, cultural tourists and how such cultural attractions as museums, art galleries, monuments and heritage attractions are marketed.

Kondratiev and the Dynamics of Economic Development Vincent Barnett 1998

International Direct Investment Statistics Yearbook 1999 OECD 2000-03-17 This volume contains a complete series of foreign direct investment (FDI) statistics in a standardised format combining sectoral and geographical breakdowns for flow and stock data for all OECD countries.

No Pants Hilton Ambler 2010 This book consists of 19 essays examining popular fiction, movies and TV

through the filters of sex, religion and politics as they relate to problems of national identity and the desire of minority pressure groups to censor our thoughts. This is a teaching text aimed at students of film, creative writing & I.T., and also enthusiasts who take their movies seriously.

Disciples of the State Kristin Fabbe 2019-03-28 As the Ottoman Empire crumbled, the Middle East and Balkans became the site of contestation and cooperation between the traditional forces of religion and the emergent machine of the sovereign state. Yet such strategic interaction rarely yielded a decisive victory for either the secular state or for religion. By tracing how state-builders engaged religious institutions, elites, and attachments, this book problematizes the divergent religion-state power configurations that have developed. There are two central arguments. First, states carved out more sovereign space in places like Greece and Turkey, where religious elites were integral to early centralizing reform processes. Second, region-wide structural constraints on the types of linkages that states were able to build with religion have generated long-term repercussions. Fatefully, both state policies that seek to facilitate equality through the recognition of religious difference and state policies that seek to eradicate such difference have contributed to failures of liberal democratic consolidation.

Russian Academicians and the Revolution Vera Tolz 1997-10-13 An examination of the early Soviet period of the Russian (Soviet) Academy of Sciences which focuses on the reactions of individual members of the academy to the new situation in which they found themselves after October 1917. Based on the extensive use of documents from the Archives of the Russian Academy of Sciences, the author discusses how the academicians justified their cooperation with the Bolsheviks and the ideological basis of the regime's policy towards the academy in the 1920s.

Higher Education Re-formed Peter Scott 2005-08-18 Specially commissioned contributions edited by some of the most respected academics currently working in the field of higher education, drawing the situation as it is now and looking forward to the developments of the coming years. It asks questions such as will 'Dearing' prove to be little more than a stop-gap? What will be the balance of power between education institutions, the state and the private sector? What are the realities behind 'lifelong learning', and what form will it take if it steps out of the realms of theory?

Stalinism in a Russian Province J. Hughes 1996-11-04 Stalinism in a Russian Province reexamines the agrarian policy pillars of Stalin's 'revolution from above' initiated in 1929-30, and is the first major study of its kind since the opening of Soviet archives. Through a pioneering application of the theoretical approaches of moral and political economy to Stalin's peasant policy, Hughes reevaluates the causes and processes involved in the great political, economic and social changes in the Soviet countryside. Rather than a

bipolarized conflict between state and peasant, he profiles the socially variegated response of different peasant groups to collectivization and dekulakization and argues that it was as much a process involving social conflict between peasants.

The Cult of Ivan the Terrible in Stalin's Russia M. Perrie 2001-10-25 Ivan IV, the sixteenth-century Russian tsar notorious for his reign of terror, became an unlikely national hero in the Soviet Union during the 1940s. This book traces the development of Ivan's positive image, placing it in the context of Stalin's campaign for patriotism. In addition to historians' images of Ivan, the author examines literary and artistic representations, including Sergei Eisenstein's famous film, banned for its depiction of the tsar which was interpreted as an allegorical criticism of Stalin.

Peter the Great Lindsey Hughes 2008-10-01 Peter the Great (1672–1725), tsar of Russia for forty-three years, was a dramatic, appealing, and unconventional character. This book provides a vivid sense of the dynamics of his life—both public and private—and his reign. Drawing on his letters and papers, as well as on other contemporary accounts, the book provides new insights into Peter's complex character, giving information on his actions, deliberations, possessions, and significant fantasy world—his many disguises and pseudonyms, his interest in dwarfs, his clowning and vandalism. It also sheds fresh light on his relationships with individuals such as his second wife Catherine and his favorite, Alexander Menshikov. The book includes discussions of Peter's image in painting and sculpture, and there are two final chapters on his legacy and posthumous reputation up to the present.

Birds and Nature, Vol. 12 No. 3 [August 1902] Various 2021-09-10

A Caricature of Marxism and Imperialist Economism Vladimir I. Lenin 2008-03-01 This translation is taken from Volume 23 of V.I. Lenin's "Collected Works" in 45 volumes.

The Sixth Station Linda Stasi 2013-12-01 Some say Demiel ben Yusef is the world's most dangerous terrorist, personally responsible for bombings and riots that have claimed the lives of thousands. Others insist he is a man of peace, a miracle worker, and possibly even the Son of God. His trial in New York City for crimes against humanity attracts scores of protestors, as well as media and religious leaders from around the world. Cynical reporter Alessandra Russo heads to the UN hoping for a piece of the action, but soon becomes entangled in controversy and suspicion when ben Yusef singles her out for attention among all other reporters. As Alessandra begins digging into ben Yusef's past, she is already in more danger than she knows—and when she is falsely accused of murder during her investigation, she is forced to flee New York. On the run from unknown enemies, Alessandra finds herself on the trail of a global conspiracy and a story that could shake the world to its foundations. Is Demiel ben Yusef the Second Coming or the Antichrist? The

truth may lie in the secret history of the Holy Family, a group of Templars who defied the church, and a mysterious relic stained with the sacred blood of Christ Himself.

Internationalization Jane Knight 1994-01-01

Technopolises 1983

Russia's Provinces Peter Kirkow 1998 With *Russia's Provinces*, Peter Kirkow follows the evolution of federalism and intragovernmental relations in Russia during the period 1992-1995, and examines whether more autonomous local governments should have been established.

US Foreign Policy and Democracy Promotion Michael Cox 2013 The promotion of democracy by the United States became highly controversial during the presidency of George W. Bush. The wars in Iraq and Afghanistan were widely perceived as failed attempts at enforced democratization, sufficient that Barack Obama has felt compelled to downplay the rhetoric of democracy and freedom in his foreign-policy. This collection seeks to establish whether a democracy promotion tradition exists, or ever existed, in US foreign policy, and how far Obama and his predecessors conformed to or repudiated it. For more than a century at least, American presidents have been driven by deep historical and ideological forces to conceive US foreign policy in part through the lens of democracy promotion. Debating how far democratic aspirations have been realized in actual foreign policies, this book draws together concise studies from many of the leading academic experts in the field to evaluate whether or not these efforts were successful in promoting democratization abroad. They clash over whether democracy promotion is an appropriate goal of US foreign

policy and whether America has gained anything from it. Offering an important contribution to the field, this work is essential reading for all students and scholars of US foreign policy, American politics and international relations.

Le Corbusier and the Continual Revolution in Architecture Charles Jencks 2000 Soon after leaving La Chaux-de-Fonds for Paris, Jeanneret, in association with the Purist painter Amedee Ozenfant, gained fame in the 1920s under the nom de plume Le Corbusier, publishing the journal *L'Esprit Nouveau* and four seminal Modernist tracts: *Towards a New Architecture*, *The City of Tomorrow*, *The Decorative Art of Today*, and *La Peinture Moderne* (Modern Painting).

Plans for Stalin's War-Machine L. Samuelson 2016-01-13 In the interwar period, Red Army commanders headed by Tukhachevskii developed a new doctrine of mobile warfare and 'deep operations'. The military requirements of armaments and industrial production in the event of war was a central parameter in Stalinist industrialization. Based on recently opened Russian archives, the book analyzes military dimensions of Soviet long-term economic and military reconstruction plans from the mid-1920s until 1941. It presents a new framework for estimating the Soviet war-economic preparations, drastically underestimated by contemporaries.

Luke and the Magpie Annette Breckenridge 2010-01-01 A good book to teach children about the respect of Nature and the treatment of wild animals. Illustrated and written by Annette Breckenridge, this story is a simple but practical message for young children.
