With this in mind, now is the time for you to get stuck in and reclaim your fantastic cooking heritage! You know what . . . if you're going to eat three times a day for the rest of your life, you might as well learn to cook properly and enjoy it! So roll up your sleeves and let me help you. P.S.: By the way, you should feel good about buying this book because every single penny I make from it will go toward training and inspiring young kids from tough backgrounds all over the world to have a career in food through the Fifteen Foundation. So on behalf of them, thank you.

**Framing History in East-Central Europe and Beyond** Ferdinand Kühnel

During the 1970s today's Austrian Federal Ministry of Education, Science and Research (Bundesministerium für Bildung, Wissenschaft und Forschung, BMBWF) supported the founding of the Center for Austrian Studies at the University of Minnesota in Minneapolis and the Austrian Chair at Stanford University in California. These foundations were the initial incentives for the worldwide 'spreading' of similar institutions; currently, nine Centers for Austrian and Central European Studies exist in seven countries on three continents. The funding of the Ministry enables to connect senior scholars with young scholars, to help young PhD students, to participate in and to benefit from the scientific connection of experienced researchers, and to get in touch with the national scientific community by 'sniffing scientific air', as the Austrians like to say. Furthermore, it aims to avoid prejudices, and to spread a better understanding and knowledge about Austria and Central Europe by promoting scientific exchange.

*Bastard* Andrzej Dziurawiec 2013-08-28  
We współczesnej Warszawie dochodzi do serii makabrycznych zdarzeń. Pod samochodem wokalistki Niny Goldfarb wybucha bomba. W fabryce wódek podczas strzelaniny ginie dwóch ludzi, a ich ciała znikają z kostnicy. Niewierna żona znajduje w mieszkaniu zmasakrowane zwłoki męża. To nie koniec brutalnych morderstw. Szybko okaże się, że zbrodnie są ze sobą powiązane, lecz tropy się gubią. Dochodzenie prowadzi wyjątkowy duet policyjny: Szubert i Szuman. Agenci obcego państwa, stara atystokracja, ciemne interesy na rynku nieruchomości... wszystko to sprawia, że śledztwo wyjątkowo się komplikuje. A tymczasem rozwija się historia, od której nie można się oderwać,

rozgrywająca się w Polsce, Szkocji, Izraelu oraz ...za czasów Rzeczypospolitej Obojga Narodów. „Bastard”, powieść senacyjna z wątkiem śledztwa w sprawie zabójstw, brawurowo przedstawia nie tylko wielką aferę kryminalną, ale i na jej tle historię dziedziców polsko-litewskich książęcych rodów. Tym razem nie mogła przyjść wcześniej. Postanowiła zaryzykować konfrontację. Już w korytarzu poczuła dziwny, metaliczny zapach. Otworzyła drzwi sypialni. Kotary były zasunięte, nic nie widziała. Zapaliła światło. Wojtek wisiał na haku od żyrandola. Cały we krwi. Na głowie miał czarny, katowski kaptur, ale Halinka nie miała wątpliwości, że to on. Przecież nikt inny nie zrobiłby jej takiego obrzydliwego kawału! Przez chwilę miała to samo absurdałne wrażenie, jakiego doświadczył Wojtek, kiedy zobaczył ją klęczącą przed tamtym facetem: że to nie dzieje się naprawdę, że jest na planie jakiegoś dziwaczego filmu. Kiedy zrozumiała, że to jednak nie film, straciła przytomność. A kiedy ją odzyskała, próbowała zdjąć ciało męża z haku. Nie dała rady, więc kuchennym nożem odcięła linkę. Położyła Wojtka na dywanie. Dopiero teraz zauważyła, że na ścianach pokoju są jakieś napisy, znaki nabazgrane krwią. Zrobiło jej się niedobrze. Pobiegła do łazienki. Zwymiotowała. Kiedy wreszcie doszła jakoś do siebie, próbowała myśleć. Była przekonana, że to jej na złość Wojtek popełnił samobójstwo, a przy okazji zapaćkał krwią cały pokój. Nie przyszło jej do głowy, że samobójcy rzadko sami się obrzezują i wycinają sobie na ciele kretyńskie symbole. (fragment)

**Essence and Alchemy** Mandy Aftel  
2014-11-17 As long as there has been passion, there has been perfume. Wealthy Romans used to scent their doves while in Shakespeare's time, a woman in love would place a peeled

apple into her armpit to saturate it with her scent and then present it to her lover. *Essence And Alchemy* resurrects the social and metaphysical legacy that is entwined with the evolution of perfumery, from the dramas of the spice trade to the quests of the alchemists. Aftel tracks scent through the boudoir and the bath and into the sanctums of worship, and along the way teaches us the art of perfume-making, including many of her own recipes, offering insights on the relationship of scent to solitude, sex, and soul.

**Secrets of Mary Magdalene** Dan Burstein 2009-03-12 A dazzling look at the most elusive figure in Christ's life Mary Magdalene was a key figure in Christ's life. She was present at his Crucifixion and she was also the first person to see him resurrected. According to Dan Brown's multi-million selling *THE DA VINCI CODE*, she was also his wife and the mother of his children. In the Gospels, she is described as an outcast and a harlot. This may be due to the disciples' jealousy of Jesus' love for Mary and the closeness of his relationship with her that was not replicated in his relationships with them. In *SECRETS OF MARY MAGDALENE*, Dan Burstein explodes the

myths and analyses who Mary Magdalene was, the true nature of her relationship with Christ and her role in the Christian faith. Did Mary write her own Gospel? If so, what did it say? Where did she come from? Was she Jewish? How did she live? So many questions exist about this lady, Google can find mention of her on 1,740,000 sites in 0.3 seconds. This book will find the answers.

**The Soviet Union and Communist China 1945-1950: The Arduous Road to the Alliance** Dieter Heinzig 2015-06-18 Drawing on a wealth of new sources,

this work documents the evolving relationship between Moscow and Peking in the twentieth century. Using newly available Russian and Chinese archival documents, memoirs written in the 1980s and 1990s, and interviews with high-ranking Soviet and Chinese eyewitnesses, the book provides the basis for a new interpretation of this relationship and a glimpse of previously unknown events that shaped the Sino-Soviet alliance. An appendix contains translated Chinese and Soviet documents - many of which are being published for the first time. The book focuses mainly on Communist China's relationship with Moscow after the conclusion of the treaty between the Soviet Union and Kuomintang China in 1945, up until the signing of the treaty between Moscow and the Chinese Communist Party in 1950. It also looks at China's relationship with Moscow from 1920 to 1945, as well as developments from 1950 to the present. The author reevaluates existing sources and literature on the topic, and demonstrates that the alliance was reached despite disagreements and distrust on both sides and was not an inevitable conclusion. He also shows that the relationship between the two Communist parties was based on national interest politics, and not on similar ideological convictions.
